THE ESSENTIAL

The 3-Day Insider Journey

Three days. No filler. No tourist traps. A privately guided run through the culture, history, food, and nightlife of one of the world's most compelling capitals.

100% PRIVATE

A CURATED ITINERARY DOSSIER · THE ESSENTIAL · 3 DAYS

WHAT NO ONE ELSE CAN OFFER

The pyramids before the gates open.

We walk Teotihuacán before it opens to the public — no crowds, no lines, no one else — and serve you breakfast on our private mountain property, facing the Pyramid of the Moon.

A Note from Enrique

Three days is short. So we don't waste a minute of it on the version of Mexico City everyone else sees.

This is a privately guided run through the city we actually live in — the pyramids before the gates open, the agave poured by people who know it, the nightlife behind unmarked doors. Private transport, every detail handled, nothing left to chance.

It's the weekend we'd give our own friends. When you're ready to set your dates, we're one message away.

Three Days, Curated End to End

1

DAY 01

Xochimilco & Cultural Immersion

The city introduces itself on the water. Your private trajinera drifts the canals of Xochimilco — curated local food, drinks and cocktails, and the easy rhythm of a genuinely local afternoon. Not the typical tourist ride, but an experience designed for you. Afterward, Mexican art and heritage at the Museo Dolores Olmedo.

THE INSIDER DETAIL

A privately styled trajinera with your own host and menu — a designed afternoon, not a packaged one.

2

DAY 02

Teotihuacán Before the Gates Open

EXCLUSIVE ACCESS

You walk in before the world does. We enter the archaeological site before it opens to the public — the Avenue of the Dead with an expert guide, and no one else there. Then breakfast on our private mountain property, facing the Pyramid of the Moon.

THE INSIDER DETAIL

Access no other operator has: the site before opening, and a private-property breakfast overlooking the pyramids.

3

DAY 03

Mexico City After Dark

The final day belongs to the night. A guided agave tasting pairs mezcal and tequila with the culture behind them, then Arena México for Lucha Libre — masked wrestlers, theatrical storytelling, an electric crowd. The night closes at one of our most trusted, under-the-radar restaurant-bars.

THE INSIDER DETAIL

Lucha Libre runs Tue / Fri / Sun. On other nights we trade the arena for a carefully chosen speakeasy — one of the city's best-kept secrets.
