THE IMMERSION

An Exclusive 5-Day Immersion

Five curated days beyond the tourist routes — hidden architecture, unforgettable food, and exclusive local spaces, guided by insiders who know the real rhythm of the city.

100% PRIVATE · CUSTOMIZABLE

A CURATED ITINERARY DOSSIER · THE IMMERSION · 5 DAYS

WHAT NO ONE ELSE CAN OFFER

The pyramids before the gates open.

We walk Teotihuacán before it opens to the public — no crowds, no lines, no one else — and serve you breakfast on our private mountain property, facing the Pyramid of the Moon.

A Note from Enrique

Three days shows you the city. Five days lets it get under your skin.

This is the itinerary for the traveler who wants the real rhythm of Mexico City — the pyramids before opening with a private hillside brunch over the valley, the Centro Histórico read by a cultural historian, mezcal in Roma, the city's art from a castle terrace. Private, seamless, and shaped around your pace.

By day five, you won't just have visited Mexico City. You'll have unlocked it. When you're ready, let's tailor it to you.

THE WEEK AT A GLANCE

Access

The pyramids before opening + a private hillside brunch over the whole valley.

History

Centro Histórico with an expert cultural historian.

Art

Chapultepec Castle; Museo Tamayo / Arte Moderno; Art Deco Condesa.

Nights

Mezcal in Roma, then ringside Lucha Libre or an intimate jazz salon.

Five Days, Curated End to End

1

DAY 01

Xochimilco & Welcome to Mexico City

From the airport, straight to the water. A private pick-up delivers you to a premium trajinera floating salon — artisanal food, craft pairings, and a live mariachi ensemble or bolero trio. Then the volcanic-stone Anáhuacalli or the Museo Dolores Olmedo, and an unhurried private courtyard lunch.

THE INSIDER DETAIL

No hotel-to-hotel scramble — the week opens the moment you land, on the water.

2

DAY 02

The Historic Core & Layered Civilizations

The old heart of the city, read by someone who knows it. A privately curated route through the Centro Histórico with an expert cultural historian — Aztec ruins, colonial palaces, revolutionary muralism, hidden courtyards, old-world market streets — closing with a high-design lunch inside the district.

THE INSIDER DETAIL

A private historian, not a flag-following group — the route bends to your curiosity.

3

DAY 03

Teotihuacán Before the Gates Open

EXCLUSIVE ACCESS

You walk in before the world does. We enter the site before it opens to the public — the Avenue of the Dead in complete stillness, an expert guide beside you. Then a curated brunch on our exclusive private hillside, the whole valley below, reserved for our guests alone.

THE INSIDER DETAIL

A private hillside brunch overlooking the entire valley — access built on a personal relationship, hours before the crowds.

4

DAY 04

Agave Alchemy, La Roma & Lucha Libre

An evening through the city's most alive neighborhoods. A guided crawl through Roma and Condesa with rare artisanal mezcal tastings — then, by the calendar, ringside Lucha Libre on fight nights or an intimate jazz salon on the others, closing with a late dinner at a coveted, design-forward table.

THE INSIDER DETAIL

Fight nights (Tue / Fri / Sun) mean ringside Lucha Libre; other nights, a live-music salon of equal caliber. It adapts to your pace.

5

DAY 05

Imperial Heights, Art & Canopy Avenues

The city from above, then its art up close. Chapultepec Castle — the only royal palace in North America — and its terraces over the skyline, then a private gallery walkthrough at Museo Tamayo or the Museo de Arte Moderno, the Art Deco avenues of Condesa, and a hidden lunch. Your evening stays open.

THE INSIDER DETAIL

A private gallery walkthrough and the Art Deco streets most visitors walk right past.
