THE FULL EXPERIENCE

The 7-Day Experience

Most travelers only scratch the surface of Mexico City. Very few truly unlock it. Seven curated days — boutique hotel, private transport, and local hosts included — and by the end, you're not a visitor anymore. You know people here.

SET DEPARTURES · BOUTIQUE HOTEL INCLUDED

A CURATED ITINERARY DOSSIER · THE FULL EXPERIENCE · 7 DAYS

WHAT NO ONE ELSE CAN OFFER

The pyramids before the gates open.

We walk Teotihuacán before it opens to the public — no crowds, no lines, no one else — and serve you breakfast on our private mountain property, facing the Pyramid of the Moon.

A Note from Enrique

Some cities you visit. This one, given a full week, you get to belong to for a while.

The Full Experience is our most complete portrait of Mexico City — a sunrise balloon over the pyramids, the Casa Azul with the makers we've known for years, the National Museum of Anthropology, all of it with your boutique hotel, dining, and local hosts handled from the moment you land.

By the last night, this won't feel like a city you toured. It'll feel like one you know. When you're ready, let's talk dates.

Seven Days, Curated End to End

1

DAY 01

Arrival & Welcome to Mexico City

A private transfer to your boutique hotel, then a relaxed welcome dinner to meet your hosts, guides, and fellow travelers — warm, personal, and the perfect overture to the week ahead.

THE INSIDER DETAIL

You're met, driven, and welcomed the moment you land — the week starts at ease.

2

DAY 02

The Heart of Mexico City

The Historic Center with a local expert — Aztec history, colonial architecture, hidden courtyards, markets, and the stories behind the city's evolution — closing with a curated lunch in the old quarter.

3

DAY 03

Anthropology, Condesa & a Free Afternoon

An in-depth guided visit to the National Museum of Anthropology — the finest window into Mexico's ancient world — then a standout lunch in Condesa and an open afternoon to wander at your own pace.

4

DAY 04

Sunrise Over Teotihuacán

BALLOON + EARLY ACCESS

The signature morning. A hot-air balloon over the pyramids at dawn, breakfast on our private mountain facing the Pyramid of the Moon, then the archaeological site before it opens to the public — walked in complete stillness.

THE INSIDER DETAIL

Balloon at dawn, a private mountain breakfast, and the site before the gates open — a morning most travelers never get once, here in a single day.

5

DAY 05

Xochimilco & Cultural Immersion

A private trajinera through Xochimilco's canals with traditional food, local drinks, and live mariachi or acoustic music, then the Anáhuacalli or Dolores Olmedo museum and a relaxed local lunch.

6

DAY 06

Meet the Makers — Coyoacán & Frida Kahlo

GUARANTEED

The iconic Casa Azul and Coyoacán's plazas and artisan streets — with introductions to the chefs, artists, and artisans we've known for years. Not a demonstration staged for visitors. A conversation, in their space.

THE INSIDER DETAIL

Guaranteed introductions to the makers themselves — real relationships and real conversations, never a show put on for tourists.

7

DAY 07

Farewell & Departure

Coordinated airport transfers as the week comes to a close — the final chapter of a journey of culture, connection, and moments designed to stay with you long after.
